3. Technical Specifications.

P-3 FORM

(to be attached with P-2 form for Proprietary items)

AIIMS Mangalagiri

PROPRIETARY ARTICLE CERTIFICATE

It is certified that the items Computerised PCA/PCEA Pumps (Model: CADD Legacy 21-6300 Make: Smiths Medical, USA) required in the P-2 form should be purchased from authorized distributor M/s. Smiths Medical. To the best of my knowledge M/s Smiths Medical are the sole manufacturer/ agents of the sole manufacturers.

Similar items manufactured by other firm(s) shall not be suitable for our purpose for the following reasons:

1. This product is designed to provide ambulatory analgesic delivery system with built-in safety features to prevent improper delivery.
2. They can provide measure drug therapy to patients in hospital and outpatient settings also.
3. The product comes with features like cassette detection, occlusion detection, air-in-line detection which reliably decrease the interruptions to therapy.
