

GYNECOLOGICAL CANCER AWARENESS MONTH -SEPTEMBER 2022 - EVENT REPORT

'Gynecological Cancer Awareness Month - September 2022' was celebrated by Department of Obstetrics and Gynecology at AIIMS Mangalagiri with lot of enthusiasm and active participation from all members of the Department and medical students, making this awareness drive a big success. Some of the important highlights were exhibition of awareness posters and slogans and health talks in OPD, PAP smear screening drive and awareness sessions organized via social media platform – AIR, Vijayawada, and Webinar for 'Vasavya Mahila Mandal' women social organization members of Andhra Pradesh. A 'Gynec- Onco quiz' was conducted for medical students and the winners were awarded prizes and certificates by Director & CEO, AIIMS Mangalagiri. In addition to educating women from different walks of life, it also proved to be a month of academic feast for the students as well as the faculty members.
