Director  
AIIMS Mangalagiri

# COMPETITION

1. **SEMINAR:** The Seminar Competition for 1st Year subjects, namely Anatomy, Physiology, and Biochemistry, will consist of three rounds:
    - a. Preliminary Round: Each participating college will receive a specific topic for seminar presentation in one subject. The best teams from each subject will be selected to advance to the semi-finals.
    - b. Semi-Final Round: The teams that have been chosen from the preliminary round will present in the semi-finals. The top teams will be selected to proceed to the final round.
    - c. Final Round: The final round will determine the ultimate winners among the best teams from the semi-finals.
  2. **EXHIBITION:** In addition to the Seminar Competition, there will also be an Exhibition segment. Students from respective colleges will have the opportunity to present charts on 10/8/2023 and models on 11/08/2023. A panel of judges will evaluate the presentations and select the top two models and charts for the 1st and 2nd prizes in their respective categories.
  3. **WORKSHOP:** Furthermore, there will be Workshops organized for 1st Year subjects - Anatomy, Physiology, and Biochemistry. Each workshop will accommodate a maximum of 30 students on a first-come, first-serve basis.
- PARTICIPANTS:** The participants in the above events are limited to 1st Year MBBS students from AIIMS (all over India), AFMC, INI's, and State Medical Colleges across India.

**AIIMS MANGALAGIRI RUNNING TROPHY WILL BE  
AWARDED TO OVERALL CHAMPIONS IN SEMINARS  
MODELS & CHARTS.**
