Message from the Director

It gives me immense pleasure to welcome the aspiring students to **All India Institute of Medical Sciences Mangalagiri** through this Prospectus and Information Bulletin for the Undergraduate Programme.

AIIMS Mangalagiri was established with a vision to create a centre of excellence in medical education, allied health sciences biomedical research, and quality patient care.

As an Institute of National Importance under the Ministry of Health & Family Welfare, Government of India, our commitment is to nurture competent, compassionate, and socially responsible healthcare professionals who will contribute meaningfully to the nation's healthcare system.

Allied Health Sciences education is not merely the acquisition of knowledge and clinical skills; it is a lifelong journey of service, empathy, discipline, and innovation. At AIIMS Mangalagiri, students are trained in an academically vibrant environment supported by modern infrastructure, advanced laboratories, dedicated faculty, and a patient-centric healthcare ecosystem. Along with academic excellence, we encourage students to cultivate leadership qualities, ethical values, scientific temper, and community orientation.

The Allied Health Sciences curriculum at our institute is designed in accordance with the latest NCAHP approved curriculum. We strive to provide students with opportunities for research, interdisciplinary learning, extracurricular engagement, and exposure to diverse healthcare challenges.

I congratulate all candidates who aspire to join this prestigious institution and wish them success in their academic journey. I am confident that your years at AIIMS Mangalagiri will shape you into skilled professionals and responsible citizens dedicated to the service of humanity.

With best wishes for a bright and successful future.

Prof. Dr. Ahanthem Santa Singh

Executive Director

All India Institute of Medical Sciences Mangalagiri

Message from the Dean Allied Health Sciences

It gives me great pleasure to welcome all aspiring students to the **All India Institute of Medical Sciences (AIIMS), Mangalagiri** through this *Prospectus and Information Bulletin* for the Undergraduate Allied Health Sciences Programmes.

Allied Health Sciences play a pivotal role in the modern healthcare system by supporting accurate diagnosis, effective treatment, rehabilitation, and preventive healthcare. The education of an allied health professional extends beyond the acquisition of scientific knowledge and technical expertise; it is a journey that fosters professionalism, integrity, empathy, lifelong learning, and a commitment to excellence. At AIIMS Mangalagiri, we provide an intellectually stimulating learning environment equipped with state-of-the-art infrastructure, advanced laboratories, experienced faculty, and comprehensive clinical training facilities. Beyond academics, we encourage our students to cultivate leadership, innovation, critical thinking, ethical values, and a spirit of social responsibility. This holistic approach ensures that our graduates are well prepared to meet the dynamic challenges of contemporary healthcare.

I am confident that your years at AIIMS Mangalagiri will provide a strong academic foundation, enrich your personal and professional development, and prepare you to become skilled allied health professionals and responsible citizens committed to the service of humanity.

I wish you every success in your academic pursuits and a rewarding future in the noble profession of healthcare.

Prof. Dr. Joy A Ghoshal

Dean Allied Health Sciences

All India Institute of Medical Sciences Mangalagiri

Message from the Nodal officer (Admissions)

On behalf of AIIMS Mangalagiri, I extend a warm welcome to all aspiring students through this *Prospectus and Information Bulletin* for the Undergraduate Allied Health Sciences Programmes.

Choosing a career in Allied Healthcare is a significant step towards serving society through excellence in healthcare delivery. Allied healthcare professionals play a vital role in patient care by providing specialized diagnostic, therapeutic, rehabilitative, and technical services that complement the work of medical professionals. The demand for skilled allied health professionals continues to grow, offering diverse and rewarding career opportunities in healthcare institutions, research organizations, academia, and the healthcare industry. For the current academic session, AIIMS Mangalagiri offers admission to 100 undergraduate seats across 10 Allied Healthcare courses.

This Information Bulletin has been prepared to provide comprehensive guidance regarding the admission process, eligibility criteria, seat matrix, reservation policy, counselling procedure, fee structure, important dates, required documents, and other relevant information. Candidates are advised to read the bulletin carefully before submitting their application and to ensure that they fulfil all prescribed eligibility requirements.

On behalf of the Admissions Cell, I extend my best wishes to all applicants. We look forward to welcoming talented and motivated students who aspire to become competent healthcare professionals and contribute meaningfully to improving the health and well-being of our society.

With best wishes,

Dr. Anil Kumar Reddy. Y

OVER VIEW OF THE INSTITUTE

The **All India Institute of Medical Sciences (AIIMS), Mangalagiri** is one of India's premier healthcare institutions, established with the vision of achieving excellence in medical education, biomedical research, and comprehensive patient care. As an autonomous institution of national significance established under the **AIIMS Act, 1956**, AIIMS Mangalagiri is committed to advancing healthcare through quality education, innovative research, and accessible, patient-centred clinical services.

AIIMS Mangalagiri is one of the four new AIIMS established under **Phase IV of the Pradhan Mantri Swasthya Suraksha Yojana (PMSSY)** by the Ministry of Health & Family Welfare, Government of India. The Institute was formally established in **October 2015** with the objective of strengthening tertiary healthcare services and expanding opportunities for high-quality medical education and research in the region.

The Institute commenced its academic activities in **2018** from the temporary campus at Government Siddhartha Medical College, Vijayawada, where the first two batches of MBBS students received their training. In **March 2019**, outpatient services were inaugurated at the permanent campus in Mangalagiri, Andhra Pradesh. Since **2020**, all academic, clinical, and administrative activities have been functioning from the permanent campus, which has evolved into a modern centre for education, research, and healthcare delivery.

Spread across a sprawling campus with state-of-the-art infrastructure, AIIMS Mangalagiri provides an integrated ecosystem for learning, research, and patient care. The Institute is equipped with advanced laboratories, modern lecture theatres, simulation and skills laboratories, well-stocked libraries, digital learning resources, and comprehensive hospital facilities that support competency-based education and multidisciplinary research.

AIIMS Mangalagiri offers a wide range of academic programmes in **Medicine, Nursing, and Allied and Healthcare Sciences**. These include undergraduate programmes such as **MBBS, B.Sc. (Hons.) Nursing, and B.Sc. Allied and Healthcare courses**, along with postgraduate and super-specialty programmes including **MD, MS, DM, M.Ch., PDCC, and M.Sc. Nursing** in various disciplines. The curricula are designed to meet national regulatory standards while promoting innovation, interdisciplinary collaboration, research, and evidence-based clinical practice.

The Institute places equal emphasis on academic excellence, research, innovation, ethical practice, and community engagement. Students receive extensive clinical exposure through a rapidly expanding tertiary

care teaching hospital, enabling them to develop the knowledge, technical skills, professionalism, and compassion essential for modern healthcare practice.

With a steadfast commitment to excellence in education, research, and patient care, AIIMS Mangalagiri continues to evolve as a leading institution of national importance. The Institute is dedicated to nurturing future healthcare professionals, advancing scientific knowledge, and contributing meaningfully to the healthcare needs of the nation.

AIIMS & OBJECTIVES

Objectives of the Institute:

- To develop pattern of teaching in undergraduate and postgraduate medical education in all its branches so as to demonstrate high standard of medical education.
- To bring together in one place educational facilities of the highest order for the training of personnel in all important branches of health activity.
- To attain self-sufficiency in Postgraduate Medical Education.

Mission of the Institute:

- Education of diverse health professionals
- Research in biomedical sciences; and
- Patient care at the highest care level

Functions of the Institute:

- Undergraduate and Postgraduate teaching in Medical and related Physical Biological sciences.
- Innovations in Education.
- For producing Medical Professionals for the country.
- Research in Medical and Related sciences.
- Health Care: Preventive, Promote and Cure at Primary, Secondary and Tertiary level.
- Community based Teaching and Research, community outreach programmes.

Student Exchange Programme

All India Institute of Medical Sciences Mangalagiri promotes collaborative learning and academic enrichment through inter-institutional student exchange initiatives. As part of this endeavour, the Institute facilitates academic interaction and student exchange activities with All India Institute of Medical Sciences Bibinagar.

The programme aims to provide students with opportunities for:

- Exposure to diverse clinical practices and healthcare delivery systems
- Participation in academic discussions, workshops, seminars, and research activities
- Enhancement of interdisciplinary learning and professional development
- Cultural exchange and collaborative academic experiences

The exchange programme may include short-term academic visits, observational clinical postings, research collaborations, skill-based training sessions, and participation in institutional academic activities, subject to the guidelines and approvals of the respective Institutes.

Such initiatives are intended to broaden students' academic perspectives, encourage knowledge-sharing, and strengthen cooperation among premier medical institutions of national importance.
