PROSPECTUS & INFORMATION BULLETIN

MBBS ADMISSIONS

ACADEMIC YEAR 2026

Message from the Director

It gives me immense pleasure to welcome the aspiring medical students to All India Institute of Medical Sciences Mangalagiri through this Prospectus and Information Bulletin for the MBBS Programme.

AIIMS Mangalagiri was established with a vision to create a centre of excellence in medical education, biomedical research, and quality patient care.

As an Institute of National Importance under the Ministry of Health & Family Welfare, Government of India, our commitment is to nurture competent, compassionate, and socially responsible healthcare professionals who will contribute meaningfully to the nation's healthcare system.

Medical education is not merely the acquisition of knowledge and clinical skills; it is a lifelong journey of service, empathy, discipline, and innovation. At AIIMS Mangalagiri, students are trained in an academically vibrant environment supported by modern infrastructure, advanced laboratories, dedicated faculty, and a patient-centric healthcare ecosystem. Along with academic excellence, we encourage students to cultivate leadership qualities, ethical values, scientific temper, and community orientation.

The MBBS curriculum at our institute is designed in accordance with the latest competency-based medical education framework, ensuring holistic development of future doctors. We strive to provide students with opportunities for research, interdisciplinary learning, extracurricular engagement, and exposure to diverse healthcare challenges.

I congratulate all candidates who aspire to join this prestigious institution and wish them success in their academic journey. I am confident that your years at AIIMS Mangalagiri will shape you into skilled professionals and responsible citizens dedicated to the service of humanity.

With best wishes for a bright and successful future.

Prof. Dr. Ahanthem Santa Singh

Executive Director

All India Institute of Medical Sciences Mangalagiri

Message from the Dean (Academic)

Welcome to All India Institute of Medical Sciences Mangalagiri, an institution committed to excellence in medical education, research, and patient care.

The MBBS programme at AIIMS Mangalagiri is structured to provide students with a strong academic foundation, comprehensive clinical exposure, and an environment that promotes inquiry, professionalism, and ethical medical practice. Our objective is to prepare future physicians who are not only clinically competent but also compassionate and responsive to the evolving healthcare needs of society.

The Institute follows a competency-based curriculum with emphasis on integrated learning, practical training, research orientation, and community-based healthcare delivery. Students are guided by experienced faculty members and are provided access to modern teaching facilities, advanced laboratories, simulation-based learning, and well-equipped clinical departments.

At AIIMS Mangalagiri, we believe that medical education extends beyond classrooms and hospitals. We encourage students to actively participate in academic discussions, sports, cultural activities, research initiatives, and community outreach programmes to ensure balanced personal and professional development.

This Prospectus and Information Bulletin has been prepared to provide comprehensive information regarding admission procedures, eligibility criteria, academic regulations, student facilities, and institutional policies. Candidates and parents are advised to read the document carefully and follow the instructions issued by the Institute and the Medical Counselling Committee (MCC).

I extend my heartfelt congratulations to all aspiring candidates and wish them success in their pursuit of a noble and rewarding medical career.

With warm regards,

Prof. Dr. Desu Rama Mohan

Dean(Academic)

All India Institute of Medical Sciences Mangalagiri

Message from the Nodal officer (Admissions)

On behalf of AIIMS Mangalagiri, I extend a warm welcome to all aspiring students through this *Prospectus and Information Bulletin* for the Bachelor of Medicine and Bachelor of Surgery course.

Since commencing MBBS admissions in 2018, AIIMS Mangalagiri has been committed to providing high-quality medical education, fostering innovation, and nurturing future healthcare leaders. For the current academic session, the Institute offers admission to **125 MBBS seats**.

The MBBS programme at AIIMS Mangalagiri is designed to develop competent, compassionate, and ethically grounded medical professionals equipped with the knowledge, clinical skills, and research aptitude required to meet the evolving healthcare needs of society. Graduates are prepared to contribute effectively to patient care, medical research, public health, and academic medicine while upholding the highest standards of professionalism and integrity.

This Information Bulletin has been prepared to provide comprehensive guidance regarding the admission process, eligibility criteria, seat matrix, reservation policy, counselling procedure, fee structure, important dates, required documents, and other relevant information. Candidates are advised to read the bulletin carefully before submitting their application and to ensure that they fulfil all prescribed eligibility requirements.

On behalf of the Admissions Cell, I extend my best wishes to all applicants. We look forward to welcoming talented and motivated students who aspire to become competent healthcare professionals and contribute meaningfully to improving the health and well-being of our society.

With best wishes,

Dr. Anil Kumar Reddy. Y

INTRODUCTION

The **All-India Institute of Medical Sciences (AIIMS), Mangalagiri** was established with the vision of serving as a nucleus of excellence in medical education, research, and healthcare delivery across the country. As one of the premier autonomous public medical institutions declared as an “Institute of National Importance” by the **AIIMS Act, 1956**, AIIMS Mangalagiri forms a vital part of India’s mission to provide accessible and advanced healthcare.

AIIMS Mangalagiri is one of the four healthcare institutes sanctioned under **Phase IV** of the **Pradhan Mantri Swasthya Suraksha Yojana (PMSSY)** by the **Ministry of Health & Family Welfare, Government of India**, and was officially established in **October 2015**.

The Institute aims to provide state-of-the-art infrastructure for **teaching, research, and patient care**, offering academic programs in medical and allied health sciences at both undergraduate and postgraduate levels, with degrees awarded under its autonomous authority.

Initially, AIIMS Mangalagiri began its operations in **2018** from a temporary campus at **Government Siddhartha Medical College, Vijayawada**, where the first two MBBS batches were trained. In **March 2019**, the **Outpatient Department (OPD)** services were inaugurated at the **permanent campus** located in Mangalagiri, Guntur district. From **2020 onwards**, all academic and administrative activities, including the admission of a 125-student MBBS batch, have been functioning fully from the permanent campus.

Today, AIIMS Mangalagiri offers a broad spectrum of academic programs across the disciplines of **Medicine, Nursing, and Allied Health Sciences**. These include undergraduate courses such as **MBBS, B.Sc. Nursing, and B.Sc. in Medical Technology**, as well as postgraduate programs including **MD, MS, M. Ch, DM, PDCC, and M.Sc. Nursing** in various specializations.

With a strong foundation in clinical service and academic excellence, AIIMS Mangalagiri is poised to contribute significantly to the nation’s healthcare ecosystem.

AIIMS & OBJECTIVES

Objectives of the Institute:

- To develop pattern of teaching in undergraduate and postgraduate medical education in all its branches so as to demonstrate high standard of medical education.
- To bring together in one place educational facilities of the highest order for the training of personnel in all important branches of health activity.

Student Exchange Programme

All India Institute of Medical Sciences Mangalagiri promotes collaborative learning and academic enrichment through inter-institutional student exchange initiatives. As part of this endeavour, the Institute facilitates academic interaction and student exchange activities with All India Institute of Medical Sciences Bibinagar.

The programme aims to provide students with opportunities for:

- Exposure to diverse clinical practices and healthcare delivery systems
- Participation in academic discussions, workshops, seminars, and research activities
- Enhancement of interdisciplinary learning and professional development
- Cultural exchange and collaborative academic experiences

The exchange programme may include short-term academic visits, observational clinical postings, research collaborations, skill-based training sessions, and participation in institutional academic activities, subject to the guidelines and approvals of the respective Institutes.

Such initiatives are intended to broaden students' academic perspectives, encourage knowledge-sharing, and strengthen cooperation among premier medical institutions of national importance.

AIIMS Mangalagiri provides modern sports and recreational facilities to promote physical fitness, mental well-being, and overall personality development of students. The campus encourages active participation in indoor and outdoor sports activities alongside academic excellence.

SPECIFIED DISABILITY CLAUSE

A SCHEDULE is annexed regarding “SPECIFIED DISABILITY” clause (zc) of section 2, that states as under,

1) Physical disability

- A. **Locomotor disability:** a person’s inability to execute distinctive activities associated with movement of self and objects resulting from affliction of musculoskeletal or nervous system or both, including:
- a. **“Leprosy cured person”** means a person who has been cured of leprosy but is suffering from-
 - i. loss of sensation in hands or feet as well as loss of sensation and paresis in the eye and eye lid but with no manifest deformity;
 - ii. manifest deformity and paresis but having sufficient mobility in their hands and feet to enable them to engage in normal economic activity;
 - iii. extreme physical deformity as well as advanced age which prevents him/her from under taking any gainful occupation, and the expression “leprosy cured” shall constructed accordingly;
 - b. **“Cerebral palsy”** means a group of non-progressive neurological condition affecting body movements and muscle coordination, caused by damage to one or more specific areas of the brain, usually occurring before, during shortly after birth;
 - c. **“Dwarfism”** means a medical or genetic condition resulting in an adult height of 4 feet 10 inches (147 centimetres) or less
 - d. **“Muscular dystrophy”** means a group of hereditary muscle disease that weakens the muscle that move the human body and persons with multiple dystrophies have incorrect and missing information in their genes, which prevents them from making the proteins they need for healthy muscles. It is characterized by progressive skeletal muscle weakness, defects in muscle proteins, and death of muscle cells and tissues’
 - e. **“Acid attack victims”** means a person disfigured by due to violent assaults by throwing of acid or similar corrosive substance.
- B. **“Visual impairment:**
- a. **“blindness”** means a condition where a person has any of the following conditions, after best correction
 - i. Total absence of sight; or
 - ii. visual acuity less than 3/60 or less than 10/200 (Snellen) in the better eye with best possible correction; or 92
 - iii. limitation of the field of vision subtending an angle of less than 40 degree up to 10 degrees.
 - b. **“Low –vision”** means a condition where a person has any of the following conditions, namely: -
 - i. Visual activity not exceeding 6/18 or less than 20/60 upto 3/60 or upto 10/200 (Snellen) in the better eye with best possible corrections; or
 - ii. limitation of the field of vision subtending an angle of less than 40 degree up to 10 degree.
- C. **“Hearing impairment” –**
- a. **“deaf”** means persons having 70 DB hearing loss in speech frequencies in both ears;
 - b. **“Hard of hearing”** means persons having 60 DB to 70 DB hearing loss in speech frequencies in both ears;
- D. **“Speech and language disability”** means a permanent disability arising out of conditions such as laryngectomy or aphasia affecting one or more components of speech and language due to organic or neurological causes.

- 2) **Intellectual disability**, a condition characterized by significant limitation both in intellectual functioning (reasoning, learning, problem solving) and in adaptive behaviour which covers a range of every day, social and practical skills, including:
- A. **“Specific learning disabilities”** means a heterogeneous group of conditions wherein there is a deficit in processing language, spoke nor written, that may manifest itself as difficult to comprehend, speak, read, write, spell, or to do mathematical calculations and includes such conditions such as perceptual disabilities, dyslexia, disgraphia, dyscalculia, dyspraxia and developmental aphasia;
 - B. **“Autism spectrum disorder”** means a neuro –developmental condition typically appearing in first three years of life that significantly affects a person’s ability to communicate, understand relationships and relate to others, and is frequently associated with unusual or stereotypical rituals or behaviours.
- 3) **Mental behaviour, ___ “mental illness”** means a substantial disorder thinking, mood, perception, orientation or memory that grossly impairs judgment, behaviour, capacity to recognize reality or ability to meet the ordinary demands of life, but does not include retardation which is a condition of specially characterized by sub normality or intelligence.
- 4) **Disability caused due to _____**
- A. Chronic neurological conditions such as _____
 - a. **“Multiple sclerosis”** means an inflammatory, nervous system disease in which the myelin sheaths around the axons of nerve cells of the brain and spinal cord are damaged, leading to demyelination and affecting the ability of nerve cells in brain and spinal cord to communicate with each other;
 - b. **“Parkinson’s diseases”** means a progressive disease of the nervous system marked by tremor, muscular rigidity, and slow imprecise movement, chiefly affecting middle –aged and elderly people associated with degeneration of the basal ganglia of the brain and a deficiency of the neurotransmitter dopamine.
 - B. **Blood disorder _____**
 - a. **“haemophilia”** means an inheritable disease, usually affecting only male but transmitted by women to their male children, characterized by loss or impairment of normal clotting ability to blood so that a minor would may result in fatal bleeding;
 - b. **“Thalassemia”** means a group of inherited disorders characterized by reduced or absent amounts of haemoglobin.
 - c. **“Sickle cell disease”** means a haemolytic disorder characterized by chronic anaemia, painful events, and various complications due to associated tissue and organ damage; “haemolytic” refers to the destruction of the cell membrane of red blood cells resulting in the release of haemoglobin.
- 5) **Multiple Disabilities** (more than one of the above specified disabilities) including deaf blindness which means a condition in which a person may have combination of hearing and visual impairments causing severe communication, developmental and educational problems.
- 6) Any other category as may be notified by the central Government.

Note: Any amendment to the Schedule to the RPWD Act, 2016, shall consequently stand amended in the above schedule.

CERTIFICATE OF DISABILITY

(As per Gazette Notification No. MCI-18(1)/2018-Med./187262 dated 5th Feb 2019/13th May 2019 for Admission to Medical Courses in All India Quota)

Certificate No. _____ Dated _____

Name of the Designated Centre (as per Appendix-VIII-B): _____ This is to certify that Dr. /Mr. /Ms. _____ Aged _____ Years
Son/Daughter of Mr. _____
R/o _____

NEET Application No. _____ NEET Roll No. _____ Rank No. _____,
has the following Disability (Name of the Specified Disability) _____ in (percentage) of _____ (in words) _____ (in Figures).

Please tick on the “Specified Disability”

[(Assessment to be done in accordance with the Gazette Notification No. S.O76 (E) dated 4th January 2018 of the Department of Empower of Person with Disability (Divyangjan), Ministry of Social Justice & Empowerment]:

MBBS Admissions 2026: Reporting Instructions for Candidates Allotted through NEET-UG MCC Counselling

Dear Students,

On behalf of the **All India Institute of Medical Sciences (AIIMS), Mangalagiri**, I extend my heartfelt congratulations to you and your family on your successful allotment of an MBBS seat through **NEET (UG) 2026**.

As per the results declared by the **Medical Counselling Committee (MCC)**, you have been allotted an MBBS seat at AIIMS Mangalagiri. You are advised to carefully read the admission and reporting instructions issued by MCC on its official website. As per the MCC counselling schedule, all allotted candidates must report to AIIMS Mangalagiri within the stipulated reporting period for completion of admission formalities.

Documents Required at the Time of Reporting

Candidates must produce the following original documents along with one set of self-attested photocopies.

A. Examination and Counselling Documents

1. Provisional Seat Allotment Letter issued by MCC.
2. NEET (UG) 2026 Score Card/Rank Card.
3. NEET (UG) 2026 Admit Card.
4. Five recent passport-size colour photographs.
5. Original Government-issued Photo Identity Proof (Aadhaar Card/Passport/Voter ID or any other valid Government of India Photo Identity Card).

B. Eligibility and Academic Documents

1. Date of Birth Certificate issued by the Board from which the candidate passed the High School/Higher Secondary Examination.
2. Class XII (10+2) Mark Sheet/Certificate showing the candidate has secured the minimum qualifying marks prescribed by MCC in English, Physics, Chemistry and Biology/Biotechnology, namely:
 - **General (UR)/OBC:** 60% aggregate
 - **SC/ST:** 50% aggregate
 - **Persons with Benchmark Disabilities (PwBD):** 45% aggregate

- Or as per the latest MCC guidelines, wherever applicable.
3. Migration Certificate from the last attended Board/University.

C. Category Certificates (Applicable Only to Reserved Category Candidates)

Candidates claiming reservation must produce valid original certificates in the prescribed format.

a. Scheduled Caste (SC)/Scheduled Tribe (ST)

- Valid SC/ST Certificate issued by the competent authority.
- The community/category must be clearly mentioned in the certificate.

b. Other Backward Classes (OBC-NCL)

- Valid OBC (Non-Creamy Layer) Certificate issued by the competent authority.
- The sub-caste must be included in the Central List of OBCs.
- The candidate must not belong to the Creamy Layer.
- The certificate must be in the prescribed Central Government format.
- OBC certificates issued **on or after 01 April 2026** up to the commencement of Round-I reporting, as notified by MCC, shall be considered valid for NEET (UG) 2026 admissions.

c. Economically Weaker Sections (EWS)

- Valid EWS Certificate issued by the competent authority.
- EWS certificates issued **on or after 01 April 2026** up to the commencement of Round-I reporting, as notified by MCC, shall be considered valid for NEET (UG) 2026 admissions.

d. Persons with Benchmark Disabilities (PwBD)

- Disability Certificate issued by the prescribed Medical Authority in the format specified by the Government of India/MCC.

Important Note:

Candidates admitted to the MBBS programme at AIIMS Mangalagiri are required to submit their **original certificates** at the time of admission. These original documents will remain in the custody of the Institute and will ordinarily be returned only upon completion of the MBBS course or as per the applicable Institute regulations.

Venue for Reporting: Room No: 006, Ground floor, Admin Block, AIIMS Mangalagiri, Andhra Pradesh.
